	<b>Trinity F90+</b> Art.: 4260574661427
	<b>Trinity F90+ ADS-B</b> Art.: 4260574661748 Mandatory to buy the Mode S ADS-B out Transponder
	<b>DLSII Kit (Plug &amp; Play)</b> for enhanced light calibration Art.: 4260574663094 Mandatory for MicaSense camera to achieve optimal results
	<b>Calibrated Reflectance Panel (CRP)</b> Art.: 4260574660758 Mandatory for MicaSense camera to achieve optimal results
	<b>Ping5S MODE S ADS-B out Transponder</b> Art.: 4260574662059
	<b>Ping5S MODE S ADS-B out Transponder</b> Art.: 4260574662059 (subsequent upgrade)

## READY COMPARTMENTS

	<b>Payload Compartment</b> 3D Print payload (90 g) including multi-payload interface board to integrate pre-defined cameras. Excl. cameras.
	<b>Sony RX1RII Ready</b> Art.: 4260574662134
	<b>MicaSense RedEdge-MX Dual Ready</b> Art.: 4260574662127
	<b>MicaSense RedEdge-MX Ready</b> Art.: 4260574662141
	<b>MicaSense Altum Ready</b> Art.: 4260574662097

## COMPARTMENTS

All sensors are delivered integrated in the 3D Print Payload Compartment including the multifunctional interface board.

	<b>Sony UMC</b> Art.: 4260574661571 Sony UMC-R10C 20.1 MP Sensor with 16 mm fixed focal length.
	<b>Sony RX1R II</b> Art.: 4260574661588 CMOS full format sensor and fixed focal length lens. 42.4 MP resolution
	<b>Sony UMC + TX-Thermal</b> Art.: 4260574663629 This package includes the TX Thermal Payload with the Sony UMC. Thus, an area can be mapped in parallel both thermal and via RGB.
	<b>MicaSense RedEdge-MX</b> Art.: 4260574661595 Captures five narrow spectral bands; Excl. DLS II and Calibrated Reflectance Panel (CRP).
	<b>MicaSense Dual Camera Kit</b> Art.: 4260574662073 MicaSense RedEdge-MX + RedEdge-MX Blue Synchronized capture of all 10 bands for pixel aligned imagery. Excl. DLS II and CRP.
	<b>MicaSense RedEdge-MX Blue Ready</b> Art.: 4260574662103 Ready for MicaSense RedEdge-MX camera. New coastal blue band, a new green band and three new bands in the red to red-edge region of the spectrum. Excl. DLS II and CRP. Incl. RedEdge-MX Blue. Excl. RedEdge-MX
	<b>Double Payload Sony UMC + MicaSense RedEdge-MX</b> Art.: 4260574661601 Excl. DLS II and CRP.
	<b>Sony UMC + MicaSense RedEdge-MX Ready</b> Art.: 4260574662080 Ready for MicaSense RedEdge-MX camera. Incl. Sony UMC. Excl. Red-Edge-MX.
	<b>MicaSense Altum</b> Art.: 4260574661977 Altum integrates a radiometric thermal camera with five high-resolution narrow bands, producing advanced thermal, multispectral and high-resolution imagery in one flight for advanced analytics. Excl. DLS II and CRP.
	<b>Qube 240 LiDAR</b> Art.: 4260574663049
